Procedure: During the given VDF grant year, VDF-Grant Proposal applicants may propose and the Department may grant, through the VDF Grant Process, appropriated VDF monies that are available for service events, programs, and projects that benefit Arizona's Veterans and which specifically support and are compatible with Department objectives determined by the Director. VDF grants of less than \$5,000.00 will be competitively awarded as much as practicable.

VDF Grants: Any grant of VDF money for this VDF-RFGP will be awarded under Applicant's written VDF Grant Proposal, as and when such is accepted and awarded by the Department, which shall then become an enforceable VDF grant service contract by and between the State of Arizona and the Grantee. VDF Grant Instructions

1. Arizona Department of Veterans' Services

ADVS' mission is to enrich and honor Arizona's veterans and their families through education, advocacy and service, subject to A.R.S. § 41-603(B). One of many ways ADVS looks to accomplish our mission is in cooperation and coordination between ADVS, the Veteran community, and veteran service organizations through the VDF Grant Process.

2. Funding Source for VDF Grants

- A. A.R.S. § 41-608 establishes the Veterans' Donations Fund (VDF) and charges the Arizona Department of Veterans' Services with its administration. The VDF is limited to donations for Veterans and proceeds from the sale of certain Arizona license plates that are received by the Department. The standard within § 41-608 is that VDF money may be used for the benefit of Arizona Veterans.
- B. Once received, all VDF monies become State funds and thus subject to applicable Arizona law. The grant of any VDF money by the Department is subject to the § 41-608 use standard and the Arizona competitive grant process under A.R.S. § 41-2701 *et seq.*
- C. The Department receives, reviews, and duly considers written proposals for VDF money grants from many applicants who propose various veteran service events, programs, and projects. As VDF money is limited in amount and use and the Department is charged to provide Veteran services, among which is VDF administration, the Department is necessarily selective in its procedure to determine how VDF money may be granted and used to benefit Arizona Veterans.

3. Money Available for VDF Grants

- A. The total VDF money available for VDF money grants will not exceed the amount appropriated under A.R.S. § 41-608. The State of Arizona, ADVS and the Director, individually and jointly, are not expressly and impliedly authorized and obligated to disburse, expend or obligate other funds or monies for any VDF grant and any VDF grant purpose and use.
- B. The Director, or his or her designee expressly designated in writing signed and dated by the Director, determines:
 - (1) The term of any VDF grant year or other period;
 - (2) The total amount of appropriated VDF money available for grant during the given VDF grant year or other period; and
 - (3) The amount, if any, of available VDF grant money to be awarded to each VDF proposal duly reviewed and considered during the given VDF grant year or other period.
- C. The State of Arizona, ADVS and the Director, individually and jointly, are not expressly and impliedly obligated to award the VDF grant money so made available for the given VDF grant year or other period. VDF grant monies available for a given VDF grant year or other period that are not awarded during that time are not obligated for award in subsequent VDF grant years or other periods.
- D. Proposed competitive VDF grants of \$5,000.00 or more will be separately issued and reviewed and considered by ADVS for award one time during the given VDF Grant Year. Proposed VDF grants for \$4,999.99 or less may be awarded at any time during the VDF Grant Year. A.R.S. § 41-2706(B)(9) provides that the Arizona competitive grant process under A.R.S. § 41-2701 *et seq.* does not apply to VDF grants of less than five thousand dollars if the Department adopts rules or policies governing these grants that encourage as much competition as practicable.

4. Eligibility for VDF Grants

Grantee must be a 501C charitable organization. Preferable to ADVS, Grantee has a primary mission of providing benefits to Arizona's veterans and families, and Applicant supports, and is compatible with, ADVS' objectives determined by the Director.

5. Notice of Award or Notice of Declination to Award to VDF-RFGP Grantee

- A. The Director, or designee, will notify the Applicant of the Department's decision to either award or decline all or part of Grantee's VDF proposal.
- B. Notice of the Department's decision to Grantee will be made by letter to Grantee at Grantee's street address and by e-mail to Grantee's e-mail address provided in Grantee's written proposal. Notice will be as prescribed herein.
- C. Should the Grantee disagree in whole or in part with the Department's decision in this matter, Grantee may submit a written request for reconsideration to the Director. Such writing must be submitted to and received by the Director not later than the Department's close of business on the 14th Department business day after the date of notice, and must provide reasons which support the request for reconsideration. The Director shall have not less than 14 Department business days to reply to Grantee's request for reconsideration. Such reply shall constitute the Director's final decision in the matter.
- D. The Grantee may appeal the Director's final decision under A.R.S. § 41-2704.

VDF-RFGP Grant Instructions

6. VDF-RFGP Preparation and Submission Instructions and Requirements

A. **ProcureAZ Registration.**

All VDF-RFGP Applicants and Grantees shall register with **ProcureAZ** in order to be eligible to receive grant funding. ADVS cannot register Applicants or Grantees; Applicant and Grantee profiles require personalized user information, such as User ID's and passwords. Complete the registration process, using your business name exactly as it is on file with the Internal Revenue Service (IRS), including business indicator and entity type information.

B. **VDF-RFGP Proposal Submittal.**

- (1) Proposal Submission: Grantee's proposal shall be submitted via e-mail at vdfgrants@azdvs.gov or fax to (602) 297-6687.
- (2) Failure to include the requested information may have a negative impact on the evaluation of the proposal.

D. **Evaluation.** The proposal has three (3) Attachments to be completed and submitted by the Grantee. Please include a footer that specifies: Name of the Grantee, page number and each part requirement responded to in the specified attachments.

- (1) The three parts are identified as:

Attachment One – Requires the Grantee to complete the Certification and Authorization.

Attachment Two – Requires the VDF-RFGP Grantee to provide its organization information.

Attachment Three – Requires the Grantee to submit the VDF Grant Proposal Statement of Service (SOS) that identifies substantive and verifiable information about the proposed service event, program, or project. **The SOS must provide a clear and concise description of Grantee's proposed service of event, program, or project including how performance and completion of the proposed service event, program or project in compliance with the VDF Grant would benefit Arizona Veterans, and how it would specifically support and be compatible with Department objectives determined by the Director.** Grantee's SOS shall include at a minimum the information requested in Attachment Three. Please provide the information in the order presented in Attachment Three.

- (2) VDF proposals submitted and accepted accordingly will be reviewed and considered according to the VDF-RFGP and grant requirements under A.R.S. § 41-2702. Grantee's completed Attachment Three, as submitted and received, will be used as the basis to evaluate Grantee's proposal and determine: (i) whether or not the proposed event, program, or project meets the minimum requirements for grant award and (ii) award all, part, or none of the grant amount proposed.

E. **Multiple Awards.** In order that any ensuing VDF grant will allow ADVS to fulfill its objectives determined by the Director, ADVS reserves the right to award available VDF grant money to multiple grantees during any given VDF grant year.

F. **Costs of Grant Proposals.** The State and ADVS as Grantor will not pay or reimburse for the costs of preparing and submitting any VDF grant proposal. Applicant is responsible for all such costs.
